

## **WORLD HOLSTEIN FRIESIAN FEDERATION PRESS RELEASE**

### **World Holstein Friesian Federation Council elects a new President and Vice President.**

The World Holstein Friesian Federation Council have appointed Oceania Representative Cherilyn Watson (New Zealand) as the new WHFF President. Cherilyn will be the first woman to take on the role of President in the history of the World Holstein Friesian Federation. László Bognár (Hungary) has been elected as the new Vice President. Both Cherilyn and Laszlo will serve three years in their elected roles until the 2024 World Holstein Conference.

The Council thanks Jos Buiting (Netherlands) for his contribution as President of WHFF since March 2016. Jos will continue to serve on the WHFF Council.

#### Note to Editors

The World Holstein Friesian Federation (WHFF) is an independent organisation representing the interests of the Holstein Breed and Breeders Internationally. Currently the Holstein Associations/Herdbooks within WHFF represent over 12.5 million Herdbook registered Holstein dairy cows and 186,000 members in 40 countries. WHFF organises a Holstein Conference every 4 years. WHFF offers workshops on the Harmonisation of Type Assessment, defines genetic recessives and it also actively participates in the harmonisation of technical programs to assist in the international reciprocity of Herdbook information.
